

## Welcome Note

### 2022 Skate Australia Artistic Roller Sports Championships

On behalf of the Board of Skate Australia I have pleasure in extending a very warm welcome to all skaters, officials, volunteers and supporters to the 2022 Skate Australia Artistic Roller Skating Championships in Brisbane, Queensland.

I would like to thank Pam Young, Championship Director and Chairperson of the Skate Australia Artistic Technical Committee, Mark O'Brien, President of Skate Queensland and Helen Lloyd-Jones, Chairperson of the Skate Queensland Artistic Committee as well as the local committee of volunteers for their hard work and dedication in organising this Championship after the event cancellations the sport has weathered over the past two years.

Thank you to all the athletes for your participation and commitment this year and to those new to the national championships, Welcome! I wish you all the very best in achieving your personal goals and am confident there will be many fantastic performances during the course of this championship.

To the coaches, officials and volunteers, your continued dedication and donation of time and expertise that you extend to our athletes, clubs and competitions is appreciated, as without you, and people like you, sport would not survive.

A special mention must go to the parents and extended families of our athletes, as without their ongoing support many skaters would not be here today. A strong commitment and a love for the sport of artistic roller-skating is the reason you have all gathered here this week, I wish each and every one of you a positive and memorable experience. Best wishes to those athletes vying for Australian Team selection.

In closing, I wish to acknowledge and thank the Sport Australia for their ongoing recognition of Skate Australia as the National Sporting Organisation (NSO) for Skate Sports in Australia and the Logan City Council for such a fantastic venue and their continued support of our sport. Wishing all an enjoyable and successful championship full of keen competition and good sportsmanship.

## Summary of Official Event Training Times

This document details official event training times for Nationals 2022. All listed event training times are at the venue – Mt Warren Indoor Sports Stadium, 2 Milne Street, Beenleigh QLD 4207.

Unless delayed, due to competition, all practice sessions will start at the time specified. Skaters and coaches are advised to ensure they are ready for their practice times.

### Music

All compulsory dance events will have pre-timed MP3s for their event training. Tunes are as selected for Nationals. Each rhythm will be preceded by a 60 second preamble to allow skaters to warm up and prepare for the rhythm. All rhythms are in event dance order.

For event training all competitors will have an opportunity to complete their routine once. There will be a warmup period consistent with the length of the program only before the first skater commences. Skating will be in the order as listed in the program. For those events with 2 parts the skater with the lowest rank will skate first with the highest rank skater last eg 5 4 3 2 1.

Precision, Show and Quartet teams will be allowed to play their routine music for the duration of their allotted time. Skaters must be ready to skate and be given right of way by others on the floor.

For Figures, background music will be provided. For safety reasons iPods and other portable players may not be used during any event training.

Contact the Championship Director for any questions in relation to official practice.
