# MEMBER BENEFITS

## What do I receive by being a member of Skate Australia?

Skate Australia, is recognised as the peak body for skate sports by the Australian Sports Commission and the International Olympic Committee. The organisation acts on behalf of all clubs and members to facilitate the promotion, development and growth of skate sports in Australia.

### PEAK BODY AFFILIATION

Skate Australia promotes, develops and grows skate sports throughout Australia. We are the national sports organisation charged with making sure our skate sports have the necessary credentials to be eligible for present and future government funding

### INSURANCE

If you are injured our insurance will cover you for up to \$3000 of non-Medicare expenses. And if you are a competitive member our insurer will help you with some money while you are off work with loss of income protection.

### ACCREDITATION

You can become a nationally qualified coach and/or official in your sport. This also means as an athlete you will experience a higher standard of competition due to a consistent and quality national standard that this coach and official education brings.

### STATE & NATIONAL REPRESENTATION

You can represent your club, state and even Australia at official events including national and international world championships.

### GRANTS & FUNDING

Being a member gives you access to various grants and individual scholarships; through outside agencies. We can also provide you with assistance and support in obtaining these grants

### DEVELOPMENT PROGRAMS

You have access to all Skate Australia Programs & Resources.
